- **Dressing Room Etiquette:**

Due to limited space and to reduce the risk of lost items, we kindly ask that students leave their outer garments and shoes with their parents before entering the stage door.

Lobby Area – Safety First:

The lobby area is both compact and a designated fire exit. To maintain a safe and clear environment, parents and guardians are asked not to enter the stage door lobby at any time. We greatly appreciate your cooperation in keeping our studio safe, organised, and stress-free for all involved!

Boxes are left in the dressing rooms overnight to ensure that items are not forgotten on show day. Make-up and hair care kit can be taken home for use on show day, so please make sure they are in a small bag inside the box.

Important Notice: Under no account may cameras be used in the dressing rooms and no photos may be posted on any form of social media.

Backstage Help Required – Parent Volunteers Needed To ensure a safe and smooth experience for all performers, **we require three parent helpers per performance** for each class participating in the show.

For this group, we kindly ask that **each performer's mum** volunteers to help at **either the dress rehearsal, matinee, or evening performance**.

- Without this support, the group will unfortunately **not be able to perform**.
- Helpers will be allocated on a **first-response basis**. Any families who do not respond will be **assigned remaining slots**.
- Be sure to **book your own and your child's performance tickets** for a show in which you are **not** helping backstage.

Thank you in advance for making the magic happen behind the scenes—we couldn't do it without you!
